Terms and Conditions

1. Scope of License.

Institutional Subscriber Use Restrictions. The subscription includes authorization by means of the institution's IP address to allow site-wide online access by authorized users via multiple connections.

Authorized users must be employees, faculty, staff, or students officially affiliated with the subscriber, or authorized on-site patrons of the subscriber's library facilities. Sites may be academic or nonacademic. For nonacademic institutions, sites are defined as geographically separate units, even if they are within the same city. Each branch, office, or laboratory is a different site.

This subscription entitles authorized users to access GSP electronic journals and:

- a. make searches of the journals to which they subscribe;
- b. download search results to hard disk or diskette. Authorized users who do download articles must maintain all copyright and other notices on the articles.

The downloading of an entire journal issue or complete journal volume in a systematic fashion is strictly prohibited.

2. Term and Fees. This Agreement will last through the end of the calendar year in which the subscription first becomes effective. This Agreement is signed and will remain in effect thereafter for successive calendar years so long as annual subscription fees are paid. Either party may terminate this Agreement, effective on the next renewal date, by at least 30 days written notice to the other party.

The annual fee for this subscription may be raised by written notice to the subscriber, given at least three months prior to the next succeeding renewal date. The fee for each year this Agreement is renewed must be paid on or before the renewal date or the renewal will be invalid.

3. Copyright. GSP electronic journals and their contents are subject to copyright, database protection, and other rights of the publisher (GSP) under the laws of the country of use.

The subscriber acknowledges that it has no claim to ownership by reason of its use of or access to GSP electronic journals. Downloading of data is permitted solely for subscriber's internal use to the same extent as the printed version of the publication.

4. Suspension or termination of access. The GSP reserves the right to suspend and/or terminate access to GSP electronic journals without prior notice if subscriber violates any term of this Agreement. Any use of the electronic journals beyond the scope of the License or any fraudulent, abusive, or otherwise illegal activities may be grounds for termination of access.

5. Disclaimer of warranties.

a. The GSP has made and will make good faith efforts to ensure that GSP electronic journals are complete and accurate. However, the GSP does not warrant completeness or accuracy, and does not warrant that the subscriber's use of GSP electronic journals will be uninterrupted or error-free, or that the results obtained will be useful or will satisfy the subscriber's requirements.

b. The subscriber will be permitted to access GSP electronic journals at any time. The GSP will not be liable for any delay, down time, or other failure of performance, but will use reasonable efforts to correct any performance problem brought to its attention.

c. The GSP will not be responsible for incidental, consequential, or any other damages arising out of or in connection with the service or materials provided hereunder.

6. General.

a. This Agreement constitutes the entire agreement of the parties and supersedes any prior communication between the parties with respect to the subject matter hereof . Only a written instrument signed by both parties may amend it. Without limitation of the foregoing, any purchase order or other instrument that the subscriber may issue for GSP electronic journals is for the subscriber's internal purposes only and will in no way modify, add to or subtract from the terms and conditions provided herein.

b. The subscriber may not assign or transfer its rights under this Agreement.

7. Access after contract termination

The Licensor will continue to provide free access to the contents that the Licensee has paid for within the subscription period after the termination of contract.

In addition to paragraphs 2 through 7 above, an individual subscriber further agrees to the following.

Scope of License.

Individual Subscriber Use Restrictions. The subscription includes one (1) User-ID and a password to allow online access from any site by the authorized user.

This subscription entitles an individual subscriber to access GSP electronic journals to:

- a. make searches of the GSP electronic journals to which they subscribe;
- b. make one or more copies in hard copy form of the output of any search; such copies may not be sold and may not be distributed to anyone who is not an authorized user; and
- c. download search results to hard disk or diskette, provided that such data are not made available to anyone who is not an authorized user.

The downloading of an entire journal issue or complete journal volume in a systematic fashion is strictly prohibited.

The subscriber is solely responsible for all security, and all use (including unauthorized use), of the subscriber's User-ID and password.
